LOCATION: Folsom Lake State Recreation Area **COUNTY:** El Dorado

Install one double stall "CXT" pre-cast concrete vault restroom adjacent to existing chemical toilets at the Biggers Point (north Peninsula Boat Ramp) area of Folsom Lake State Recreation Area. The restroom will replace the existing portable chemical toilets currently at the site. The installation will require excavation of a hole 16 feet wide by 16 feet long by 5 feet deep. The restroom is being installed on previously disturbed ground in an area that was previously excavated approximately 20 feet deep from the natural topography to create the parking lot.
